

SUBJECT: New look to your website
WHEN: Week of April 11th

The look and security of your strata website is being updated this week!

WHAT WILL REMAIN THE SAME:

- The system remains the same and there is nothing new to sign up for
- Your username and password remain the same
- The website address remains the same and you will automatically be redirected to the new login page
- The functionality and layout remains similar with links on the left hand side to:
 - Strata Documents
 - Updates
 - Discussions
 - Requests

WHAT HAS BEEN UPGRADED:

- For better security, you will use a Stratapress login page to access your strata website
- You will now be able to submit a Request with attachments
- Updates on the site will now include the attachment that was sent in the email
- For convenience you can view documents online in addition to downloading them
- You can now add tenant contact information if you have a rental, so they can receive email Updates

We hope you enjoy the new look and features. Please feel free to reach out to us with feedback or questions at dane@prolinemanagement.com or 250-940-4720

Thank you for your understanding,
Proline Management Ltd.
